# IMPORTANT EMISSIONS RECALL

## Selective Catalytic Reduction Catalyst

Dear [Name],

It has been determined that certain [2013 - 2015 Model Year (DD) RAM 3500 Cab Chassis and (DP) RAM 4500/5500 Cab Chassis] trucks equipped with a 6.7L Cummins turbo diesel engine may release air pollutants which exceed Federal and/or California Oxides of Nitrogen (NOX) standards.

#### WHY DOES MY VEHICLE NEED REPAIRS?

The Selective Catalytic Reduction (SCR) system on your truck <sup>[1]</sup> may experience degradation. Degradation of the SCR system can cause tailpipe emissions of Oxides of Nitrogen (NOX) to exceed emissions standard.

#### HOW DO I RESOLVE THIS IMPORTANT EMISSIONS ISSUE?

FCA will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will replace the SCR system in your vehicle and update the Powertrain Control Module (PCM) software. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit. Your time is important to us; please be aware that these steps may require more time. The estimated repair time is 3 hours. We recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### CALIFORNIA RESIDENTS

The State of California requires the completion of emission recall repairs prior to vehicle registration renewal. Your dealer will provide you with a Vehicle Emission Recall Proof of Correction Form after the Emission Recall service is performed. Be sure to save this form since the California Department of Motor Vehicles may require that you supply it as proof that the Emission Recall has been performed.

In order to ensure your full protection under the emissions warranty provisions, it is recommended that you have your vehicle serviced as soon as possible. Failure to do so could be determined as lack of proper maintenance of your vehicle.

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
